Add Your Name to Roll Call and to Ask Your Friends to do Likewise.

The Crescent City Branch of the American Red Cross now has a membership of 357 not counting the strong Junior organization with its 120 members. All of these membership expire with the end of the year.

Everybody knows the good work the Crescent City Branch has done during the two years of war. It has made a splendid record for actual service. It is proposed to continue this good work whenever the calls come for help. In order to do this it is earnestly requested that every one who has been a member of the Red Cross, or who is now a member,

renew his or her membership for the year 1920. The annual fee is only one dollar and that may be paid now or any time up to the 1st of January.

Throughout the United States there are some Twenty Million members of the Red Cross. This makes a mighty army for the relief of suffering. Will you be one of this 20,000,000 Americans to see the last soldier clean through; to save the lives of American babies; to stop the spread of Spanish influenza; to send food to starving humanity abroad; to provide more hospitals and nurses at home; to prevent disease, relieve suffering, and heal misery.

Beginning on the 2d of November and continuing until the 11th, the Red Cross Campaign for members will be continued. You can save the officers of the Crescent City Branch much time by sending your name and your dollar to Walter C. Cartledge, the treasurer. And you will be doing good to the cause by asking

your friends to join you. Every man, woman, and child is wanted to enroll as a member for 1920. There are no class distinctions, no creeds, no obligations. This is not a call for contributions beyond the single dollar for a year's membership.
